STANFORD, KY., FRIDAY, FEBRUARY 21, 1908.

NO. 101.

## MATRIMONIAL.

J. L. Crane and Miss Zana Arnold, both of Boyle, eloped to Jellico and were married the other night.

Porter Langford, of Taylorsville, Ill., and Miss Maude Bailey, of Maywood, were made one at Rev. H. H. Mahony's by that gentleman yesterday morning.

Mr. William Paris, a nephew of Mrs. Adella Woods, of this city, was married at Dayton, O., a few days ago to Miss Elsie Bremer, a popular young lady of that city.

Ex-Senator and ex-candidate for the Vice Presidency, Henry Gasaway Davis, will not marry the young and blooming Miss Ashford as contemplated. His family made it too hot for him and her and the engagement was called off. It was clearly a case of an old fool with money and a young woman anxious to get what the children should have.

At 8 o'clock Wednesday evening the spirit of Mr. Henry Miller passed from time to eternity, dying just three days after his wife, who died on Sunday preceding. As they both were consistent, God fearing Christians, walking in paths of meekness, patience and duty while here on earth, is foundation for the hope and belief that they are now with the blest in Paradise. Mr. Miller was 68 and his wife was 62 years old. After funeral services at the Baptist church by Rev. A. C. Baird, all that was mortal of this good man was laid to rest in the Naylor burying ground.

## CHURCH MATTERS.

Rev. T. W. Barker will preach at Omer Chapel, Rowland, at 3 o'clock Sunday afternoon.

Rev. John Greathouse, formerly of Louisville, resigned his pastorate at Belleville, Ind., because the congregation was too fashionable to hold revival services and because the women were more interested in their clubs than in their church.

## Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a Spring medicine. This grand alternative tonic is sold under guarantee at Penny's Drug Store, 50c.

The War Department has received a report from the board of officers appointed to investigate the proposed scheme of the canalization of the Ohio River. The board finds that a six foot stage during low water from Pittsburgh to Cairo can be secured by the construction of 45 locks and movable dams at a cost of about \$51,000,000, and that a nine-foot stage can be had by the construction of 64 locks and dams at an estimated cost of about \$64,000,000. The nine-foot project is recommended. The scheme provides for the widening of the Louisville canal and other improvements at a cost \$1,760,000.

## Skin Disease of Twenty Years' Standing Cured.

I want you to know how much Chamberlain's Salve has done for me. It has cured my face of a skin disease of almost 20 years' standing. I have been treated by several smart physicians as we have in this country and they did me no good, but two boxes of this salve has cured me. Mrs. Fannie Griffen, Troy, Ala. Chamberlain's Salve is for sale by all druggists.

While Assistant Postmaster T. Kelly White was stamping the incoming mail at Versailles a cartridge in an envelope which was being sent through the mail exploded. An investigation proved that the letter in question was one of 20, which were received in the same bundle of mail matter at the Versailles office, and each, in addition to the blood-red warning to the party addressed, contained a cartridge and a match, indicative, no doubt, of the intention of the sender, should the warnings not be heeded. The demand was that no tobacco should be raised this year.

A weak Stomach, means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. It's a pity that sick ones continue to drug the Stomach or stimulate the Heart and Kidneys. The weak nerves, not the organs themselves, need this help. This explains why Dr. Shoop's Restorative has, and is promptly helping so many sick ones. It goes direct to the cause of these diseases. Test this vital truth, and see, Penny's Drug Store.

Two dwelling houses in the flooded district of Pittsburgh collapsed and fell in the street. Several persons were injured. More than 20,000 persons have been thrown out of employment by reason of the flood.

## Keeping Open House.

Everybody is welcome when we feel good, and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at Penny's Drug Store.

Give fools their gold and knaves their power; Let fortune's bubbles rise and fall; Who sows a field or trains a flower; Or plants a tree, is more than all.

## What To Do When Bilious.

The right thing to do when you feel bilious is to take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse the stomach and regulate the liver and bowels. Try it. Price 25 cents. Samples free at all druggists.

## HUSTONVILLE.

Ed Powell delivered his tobacco at Paint Lick last week and there is more to be delivered there this week.

FOR SALE.—A first class mule jack, nine years old, with a splendid reputation and a good pedigree. Address Joe B. Williams, R. F. D. No. 1, Hustonville Ky.

Col. Joe Snow's familiar face is missing from our streets of late because of his share of the epidemic of rheumatism. Mr. Jesse P. Riffe has been confined the past week by grip. Dr. James Riffe, of Erlanger, attended the funeral of his sister, Mrs. T. L. Carpenter.

The subject of Rev. J. F. Bennett's sermon at the Christian church next Sunday morning is, "The Great Commission." At night a grand missionary rally with an interesting program, which will include a vocal duet, "Keep on Believing" by Rev. and Mrs. J. F. Bennett. Everybody cordially invited to attend these two services.

Calvin C. Carpenter is expected to be able to come home the last of this week from Lexington, where he is being treated for a severe case of grip. G. J. Bohon has shipped a carload of household goods to Temple, Texas, and will follow this week. Mrs. Bohon and Master Jesse will remain a while in anticipation of Mrs. Jones and Jimmie's company.

The funeral of Mrs. Abbie, the beloved wife of T. L. Carpenter, drew to the Presbyterian church the largest audience ever assembled in that historic structure. Rev. B. J. Pinkerton, of Lexington, ably assisted by Rev. J. Q. Montgomery delivered beautiful sketches of the christian life of the departed, in a most impressive manner to an audience filled with weeping eyes and broken hearts. Her parents, husband and children have the heartfelt sympathy of the entire community.

On account of very unfavorable weather for business the railroad surveyors are progressing slowly. They expect however to reach Carpenter's creek about the mouth of Long branch by Saturday. The surveyors will return after reaching Carpenter's creek and start from the vicinity of Moreland or a mile or two south of there, running by this place and on to the mouth of Long branch and the cost of each route to a distance of 10 miles will be accurately figured by Chief Engineer Sullivan and the cheapest route will be adopted and work begun.

The pikes South, Southeast and West of here are in a condition that reminds the old timers of pioneer times when levers were required to prize vehicles out of the deeper mud holes. Prominent among the many reasons for this deplorable condition is; First.—The want of a road system requiring a rigid inspection of material and work and that it conform strictly to published specifications and a fine being the penalty for noncompliance upon the contractor as well as upon the magistrate who inspects his district. Road officials are either ignorant or culpably careless of the laws restraining heavy hauling over turnpikes especially under and "deep down in dirt" roads when thoroughly wet.

## The Jumping Off Place.

"Consumption had me in its grasp and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and a healer of weak, sore lungs and for preventing pneumonia, New Discovery is supreme, 50c and \$1 at Penny's Drug Store. Trial bottle free.

Judge E. Barry, editor of the Benton Tribune Democrat, was in the city yesterday. Speaking of the Eddyville outrage he said it had no connection with the tobacco troubles, but was the result of the failure to enforce the local option law. The police judge and the marshal are worthless characters who aid in the sale of liquor. Judge Benton was a member of the last Legislature and took great interest in temperance legislation. His visit was for the purpose of helping the County Unit Bill, but the Legislature had adjourned when he arrived.—Frankfort Journal.

### Democratic Ticket.

For United States Senator,  
J. C. W. BECKHAM.

DR. R. L. DAVISON is a candidate for delegate to the Chicago convention which will nominate a republican candidate for president, and we hope he will win. He is a dyed-in-the-wool republican, is a hard worker for his party and deserves recognition. It is no business of ours who shall cast the vote of the Eighth district at Chicago and we cannot help him in his race but we would like to see the doctor, who is our townsman and friend, honored.

It is given out at Maysville that either Judge Garrett S. Wall or Squire William H. Rice will be the Democratic candidate for Representative to succeed the late Virgil McKnight and that Elijah C. Kirk will be the Republican candidate. Both the latter are farmers and members of the Equity Society, which will no doubt be the factor in the fight. The temperance question will be passed up for the present.

A WASHINGTON dispatch says that Ex-Senator Joe C. S. Blackburn still looks and acts the part of a young man. The writer might have added, that since his defeat for re-election as Senator, he has played the baby act to perfection.

If the late Virgil McKnight thought that he did right in betraying the trust reposed in him by the democrats of Mason county, may the Lord have mercy on him. We have nothing to say in the premises.

THE King of England has placed an order for 500 Havana cigars to cost \$1,600, or \$3.20 each. Smoking comes high but King Edward must indulge in it.

### POLITICAL.

Representative Madden, of Illinois, introduced a bill in the House appropriating \$100,000 to aid in the projected improvement of the Lincoln farm in La-rue county.

The Illinois Republican State Central Committee at Springfield adopted resolutions endorsing Joseph G. Cannon for the presidency and voted to hold the State Convention in Springfield on Thursday, March 26.

Former County Judge John C. Chenault, of Richmond, who talked with the late Hon. Virgil McKnight at Frankfort Sunday, says that the Representative said that he intended to vote for Beckham the following day.

Speaker W. J. Gooch, of the Kentucky House of Representatives has called a special election, to be held in Mason county on Saturday, February 29, to elect a successor to the late Representative Virgil McKnight.

Judge C. C. Marshall, the incumbent, and Judge James S. Morris have announced themselves as candidates for the Democratic nomination for judge of the district composed of Henry, Shelby, Trimble and Oldham counties.

Failing to get the appointment to the Judgeship made vacant by the death of Judge Riddle, Editor J. Wise Hagins, of Breathitt, is reported to have declared his intention to go back into the Democratic ranks and do his best to carry Breathitt county with him.

Acting Gov. Cox vetoed the bill providing for pay for stenographers and messengers employed in the House and Senate, holding that the measure was unconstitutional. The stenographers and messengers, who have been at work since the session began, will now be unable to draw any pay for their services, as no further effort will be made to get the bill through.

### Citizens Petition City Council For Opening of New Street and Give Good Reasons For Their Wishes.

STANFORD, Ky., Feb. 20th, 1908.  
To the Mayor and City Council of Stanford, Ky.:

We the undersigned citizens of Stanford, Ky., who live on the North side of the Knoxville branch of the L. & N. railroad, hereby petition your honorable body to open a street which shall run from a point on Danville street, approximately opposite the Graded School building, to connect with a street now which ends near the premises of George B. Cooper, and to cause said street when opened to be properly graded and Macadamized.

Our object in making this request is chiefly to offer a convenient way for the school children, whose parents live on the North side, to get to said Graded School building. There are now 95 children of school age who live on the North side, and in going to and returning from school they are forced to travel along Main street and then up Danville street, a long and inconvenient way, making it impracticable for them to leave for dinner at the noon hour; or to travel the railroad track, a distance of several hundred yards, and thus incur a great personal risk; or go through the more undesirable street of Maxville.

We are satisfied that such action on your part will prove of advantage to the public in other respects. There is much hauling from the Danville pike to Lancaster pike and to the depot, which would be deflected from Main street, and thus there would be saved the cost of continual repairs to Main street, which, on account of its situation, entails large expense to keep it in repair.

R. B. Wilkerson, Walter Holtzclaw, W. K. Warner, Will Stone, S. H. Aldridge, W. A. Mobley, J. A. Chappell, J. M. Haley, Sam Murphy, Mrs. Nellie Brady, Mrs. T. J. Good, Mrs. J. L. Hardin, J. M. Meadows, Fred Eichenberger, G. F. Pendleton, R. G. Jones, U. S. Traylor, J. M. Stone, John Downer, Robert L. Davison, W. G. McBee, J. B. Gooch, D. M. Anderson, Mrs. Clara Ballard, Mrs. Pattie Brown, E. C. Garman, George P. Bright, Mrs. Bessie R. McKinney, Mrs. Emma Calmes, E. C. Walton, G. B. Cooper, J. B. Paxton.

### MIDDLEBURG.

J. A. Estes sold to D. G. Elliott a bunch of fat shoats at 34c.

Mr. D. A. Riggins, whose barn was struck by lightning and burned, has another almost completed on the same foundation.

There are no fears of night riders here. There was but little tobacco raised in this community, and what was, has been sold.

Bob Lee Murphy, of Boyle, this county, passed through here a few days since with a bunch of good cattle. He bought four of Mrs. C. C. Jones for \$70.

The Courier-Journal agent here is having considerable trouble in getting subscribers. The dirty hounding of Gov. Beckham by that paper has about done the work for it.

J. T. Short will build a large store house on the lot fronting Mrs. Bell Lawhorn's store at Yosemite. It is understood that Geo. P. Garner will occupy it when completed.

Deputy Sheriff Jack Wells has the mumps and is laid up for repairs. Rev. J. Q. Montgomery was water bound at Yosemite Friday on his way home from Mt. Olive, where he had been preaching.

Mrs. Eliza Estes, of Somerset, is with Mrs. J. A. Estes. William McWhorter went to Liberty Monday to the trial of Robt. Davis, charged with striking Roy Estes. Rev. W. G. Telford went to Eubank Saturday.

John Patterson, a good citizen of the Grove section, died on the 12th inst. of a complication of diseases. Rev. W. G. Telford held appropriate services at the Grove Baptist church, after which the remains were buried in the new cemetery near the church.

It was suggested to us a few days since, that Gov. Beckham's friends throughout the country ought to petition him to make compromise with the crowd that is opposing him. He is the nominee and it would be little less than robbery to fail to elect him Senator.—Gov. Beckham will never compromise with dishonor. Ed.

### Commissioner's Sale

Lincoln Circuit Court.  
E. P. Oswald, Plff., vs. Mary C. Feland, et al. Defts.

Pursuant to a judgment and order of sale in the above styled action in the Lincoln Circuit Court, the undersigned Master Commissioner will on

MONDAY, FEB. 23rd, 1908, between 10 and 2 P. M., in front of the court house door in said county, sell at public outcry to the highest and best bidder the following described real estate, which is situated in Lincoln county, Ky.: The said real estate is that tract of land on which A. M. Feland resided at the time of his death and is located on the Stanford and Danville turnpike, about four and one-half miles North of Stanford, upon the waters of Hanging Fork and is bounded as follows: Beginning at the southeast corner of the Hanging Fork bridge on the Stanford and Danville turnpike, thence up the pike with the line of J. L. Dawson, the Swamp place, now owned by Jackson, to the corner of Mrs. E. Dawson's land, thence the line of said land to the corner of that land and the land of T. C. Robinson, deceased, thence with the line of the said Robinson land to the corner of the land known as the Cash tract, thence with the line of that land to the land of J. T. Haley, known as the s. Haley place, thence a straight line to the Hanging Fork, thence Buckley's line up Hanging Fork to the J. S. Bosley land, thence the line of that land to the corner of the Stanford Erwin land, thence with the line of that land to the corner of the Virginia King land, thence with the line of that land to the beginning, containing 470 acres, more or less.

The court adjudges that this land can not be divided without material injury to the same and accordingly the entire boundary will be sold as a whole. Out of the proceeds of the sale the plaintiff, E. P. Oswald, will be paid the debt, which is the sum of \$12,760.00, with interest thereon at the rate of 6 per cent. per annum from Nov. 11, 1906, and also the costs of this action, which will be paid by the defendant, Mary C. Feland, out of the sum of \$250.00, exclusive of the sum which will be allowed to the commissioner for receiving and disbursing the proceeds of the sale of the land.

After the payment of said debt and the costs of this action the residue of the proceeds of this sale will be held subject to the order of the court.

The sale will be made on credit of six and twelve months, one half of the purchase price, together with the interest that may accrue thereon, to be due and payable at the expiration of each of the periods of time aforesaid. For the purchase price the purchaser will be required to give bond with approved security, payable to the Commissioner and bearing interest at the rate of six per cent. per annum from the date of sale until paid. The said bond to have the force and effect of a judgment, and further secured by a lien on the land sold.

Upon the confirmation of the sale the purchaser will be entitled to the immediate possession of the land sold, except that part which is reserved to be sold by the Commissioner of the Lincoln County Court allotted to Mary C. Feland as her dower in the lands of A. M. Feland, deceased. The said land allotted to Mary C. Feland as her dower is beginning at a point in the middle of the Danville and Stanford turnpike, near the gate and entrance to the dwelling house, a corner to the whole boundary, thence with middle of pike and with boundary line N 60° W 6 chains, N 60° W 7 chains, N 44° W 21-chains to a point near the middle of the pike, thence leaving pike with line of district school house lot N 28° E 2 1/2-100 chains, N 41° W 25-chains, N 85° W 2 90-100 chains to the front face of the Southwest alignment of the turnpike bridge across Hanging Fork, thence down said creek along the Southeast bank N 82° E 5 chains, N 25° E passing line of the Richardson tract at 50-chains, in all on same course 6 chains N 15° E 54-100-chains, N 36-14 W 9 chains, N 25° W 7 chains, N 35° W 2 32-100 chains to a point at a stone fence, a new corner in line of whole boundary, thence a new line, leaving the creek N 60° E 25 32-100 chains to a large red oak on the east side of and near drain 8 3/4 E 10-100-chains to a wild cherry tree, N 60° E 7 78-100-chains to a stake, 24 links N 80° W from a large cherry tree, thence with a fence S 65° E 25 chains to a stake at the end of a stone fence, thence with said fence N 30° W 3 49-100 chains to a stake, thence still with fence S 75° W 22-100 chains to the beginning, containing, counting to the middle of Hanging Fork, 180 1/2 acres.

As to this part, which has been allotted to Mrs. Feland, she will have the right to retain possession and use until Oct. 15, 1908, but on and after that date the purchaser will then become immediately entitled to the full possession of said boundary, but if the purchaser of the land desires to sow wheat or any other crop on any part of the land, the use of which is so reserved by the widow, before Oct. 15, 1908, he may do so, provided he does not injuriously interfere with any crop then standing on the land. The widow is also entitled to ingress and egress to the land after the 15th of October, 1908, and until Jan. 10, 1909, for the purpose of removing crops which she shall have cultivated during 1908, but in so doing she shall pay due regard to the rights of the owner of the land. The purchaser will also be entitled to the joint use with the widow, of the passageway from the turnpike road back to a portion of the land not included in the boundary reserved to the widow as aforesaid, whenever he desires to do so for the purpose of using, occupying or looking after the land.

### Heart Strength

Heart strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

A CUT in wages affecting every employee of the Louisville & Nashville Railroad Company will be made March 1, though the details of the plan have not been completed, and the exact amount of the reduction cannot be given out at the present time, says the Louisville Times.

THE following is sent from Scottsville to the Louisville Herald and probably may best be taken with a good supply of salt: Word comes from J. F. Allen, promoter of the Danville and Scottsville Railroad, that part of the system will be ready before 1908 has passed. The distance is 150 miles through the roughest sort of country, and the track will open up the back counties which heretofore have been dependent on Glasgow as the station for other Kentucky points. The road will be built from McKinney to Liberty, to Columbia to Scottsville, and about 30 men are at work at McKinney at present, Allen says that he now has the money necessary to complete the road.

WRAY.—After an illness of nearly a year, Mrs. Mary E. Wray died at the home of her daughter, Mrs. I. M. Bruce, at an early hour Wednesday evening. She was 69 old years and up to a few years ago was the picture of health. Deceased was the widow of Mr. James M. Wray, and was Miss Mary Dooley, of Clark county. Five children were born to Mr. and Mrs. Wray: Mrs. Kittie Lynn, Mrs. I. M. Bruce, Mrs. H. C. Baughman, Miss Nettie Wray and Mr. Homer C. Wray. Of this number Mesdames Lynn and Baughman preceded their mother to the grave. The other three live in Stanford and are among the town's best citizens. For many years Mrs. Wray had been a devout member of the Presbyterian church and until her infirmities overtook her, her seat was seldom vacant when the church doors were open. She was an exceedingly modest, refined woman and to know her well was to love her. Her children were wrapped up in her and now that she is no more their grief knows no bounds. May He give them comfort and strength to bear their loss. The funeral will occur at the Bruce home at 2:30 this Friday afternoon. Rev. J. L. Yandell will officiate and the burial will follow in Buffalo cemetery.

LAST Call.—All accounts not paid by March 1, will be placed in an attorney's hands with instructions to bring suit if necessary. Our business must be settled. Cummins & McClary.

LYNN.—Mrs. Jesse C. Lynn died at about 6 o'clock Monday evening after a protracted illness of that dread disease, typhoid fever. She was 34 years old and was a daughter of the late Mr. and Mrs. Thomas E. Wood. She is survived by her husband and three little children—Louise, aged eight, Margie, six, and James, only 14 months—three brothers, Messrs. John A. Wood, and W. L. Wood, of Danville, and George T. Wood, of Broken Arrow, Oklahoma, and one sister, Mrs. B. G. Fox, of Danville. Great sympathy is felt for them all, but upon the husband and little motherless children the rod of affliction falls heaviest and every heart goes out to them. May He who tempers the wind to the shorn lamb comfort and care for them all in their dark hour. Mrs. Lynn was a gentle, good woman and was a model wife and mother. Her place was at home with the husband and children and there she could always be found. A pity it is that one who had so much to live for and who was doing so much for others should be taken away so early in life, but He knows best and moves in a mysterious way his wonders to perform. Deceased had been a consistent member of the Baptist church since she was 15 and she was thoroughly prepared for the summons—come up higher. A large number of friends accompanied the remains to Buffalo cemetery Wednesday morning, where, after short services by Rev. R. R. Noel and J. Murray Taylor, all that was mortal of the devoted wife and tender mother was laid to rest. Flowers brought by sympathetic loved ones hid the mound that marks her resting place and these with comforting words from the many friends will help the bereaved ones to bear the fearful burden that has befallen them.

FOSTER.—Mr. T. J. Foster died suddenly at midnight Wednesday. He had been in usual health up to about 4 o'clock that afternoon and just brought in some coal, when he complained of feeling ill. Physicians were summoned and everything in their power was done but about 12 o'clock he breathed his last. Mr. Foster was 80 years old and was one of the most prominent men in the county. For many years he was a successful farmer and he amassed quite a fortune. Some 15 years ago he gave up active work and moved to Stanford, where he and his wife had since resided. Mr. Foster was for a long time identified with the church at McCormack's but when he came to this place he moved his membership to the Christian church and had been a faithful attendant at its services. He was a great believer in the Sunday school and was frequently present at the roll call. Mr. Foster had been twice married, his first wife being a Miss Turner, of Clark county. She bore him two children, the surviving one being Mr. Ed T. Foster, of Lexington. The widow he leaves was a Miss Stagg and to them were born three children, Mesdames J. H. McAllister, of Way, Miss, and Thomas Metcalf, of Boyle, and Mr. John B. Foster, of this section. They made an exceedingly happy family. For a long time Mr. Foster had been identified with the Lincoln County National Bank and was a director when its predecessor, the Deposit Bank of Stanford, was organized in February, 1870. He was a director of the Deposit Bank's successors until a few years ago, when he retired and his son, Mr. John B. Foster, was elected in his stead. While Mr. Foster never loafed—he was to busy a man for that—he could be found almost always either at his Hanging Fork farm, his home or the bank. He made the bank his headquarters for the transaction of such business as might come up. Mr. Foster was a straight-forward, honorable man and a splendid citizen and neighbor. Much sympathy is felt for the aged helpmeet and the children in the loss of a kind and indulgent husband and father. Mrs. McAllister has been telegraphed for and should be here the burial will hardly occur before this afternoon or to-morrow. Rev. D. M. Walker will preach the funeral at the late home and the burial will take place in Buffalo cemetery.

A WRIT has been issued for Clyde Estes, who it is claimed, shot at a brakeman when the latter put him off a freight train at Hemp. Estes left soon after and the officer has not had the opportunity of serving the paper.

HON. HARVEY HELM.—It is now expected that Harvey Helm, of the Eighth Kentucky district, will overwhelm the House with a burst of oratory at an early date. Both Ben Johnson and Press Kimball, the other Democratic Representatives from the Bluegrass, have made speeches in the House. Mr. Helm has remained absolutely silent. But it is noticed by his colleagues that he has listened most closely to the speeches of his two brethren who were likewise new to Congressional life, and it is charged that he is holding back for the purpose of "laying it over" them.

Mr. Helm, as a lawyer and member of the Legislature and County Attorney, has also had experience in the rough and tumble field of forensic contest, and should make a reputation on the floor. Just now Mr. Helm is devoting close attention to his committee work, especially that of the Committee on Insular Affairs. He attends every session, and is deeply interested in the affairs of the Philippines, with which the committee chiefly deals.—Louisville Times Washington Correspondence.

George H. Macon and Miss Margaret Berry, claiming Rockcastle county as their home, obtained marriage license from Deputy Clerk E. D. Pennington about 4:30 Thursday morning. They left on the Louisville train taking the necessary papers with them.

A Mild Laxative For Baby's Bowels

The infant or the child should not be given salts, purgative waters or harsh pills or tablets when the bowels are constipated, and neither should any medicine be used that contains a narcotic.

It is well for mothers to remember that there is no better, gentler or more effective remedy for children's stomach and bowel troubles than Dr. Caldwell's Syrup Pepsin. Its purity and mildness make it especially adapted to young people's use. It works gently but surely, and containing, as it does, many tonic ingredients, it not only cleans out the congested bowels, but tones the system and makes the child feel better in every way.

Among the thousands who are using Dr. Caldwell's Syrup Pepsin is Mrs. Spaulding, of Mayfield, Ky., and she writes that she gives it to her baby regularly and that she would not be without it. She has used it herself for a long time and ought to know.

Mothers will find this an invaluable remedy for old and young in constipation, dyspepsia, liver trouble, diarrhea, colic, worms, and the many other ills that afflict the stomach and bowels. It is guaranteed to do what we claim, and by its use a home cure at very little cost is easily brought about.

## Neglected Colds Threaten Life.

(From the Chicago Tribune.)

"Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child. Proper food, good ventilation and warm, dry clothing are the proper safeguards against colds. If they are maintained through the changeable weather, of autumn, winter and spring the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of the year is a neglected cold. Whether it is a child or adult, the cold, slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. For sale by all druggists.
